Uploading Your Large Files to Custom Video via Hightail

To upload your video, please open the following link:

https://www.hightail.com/u/CustomVideo

Then type your name, email address, topic, and message:

Full Name:

Email:

Subject:

Message:

NEXT, click the SELECT FILE button and attach the file(s) you want to send from your computer.

Then press the SEND IT button.

Depending upon the size of the file(s), it takes some time to upload. Hightail will automatically zip a collection of files.

When it is uploaded, Hightail will alert us. If it is urgent, please call or email us, too.
